Open door day at the University of Novi Sad was held on 24<sup>th</sup> June, 2015 from 10 am to 4 pm in the campus of the University of Novi Sad.

At the stands of the various faculties that were placed in the campus, all visitors were provided with the desired information regarding the admission to the University of Novi Sad.

In addition to information, all visitors of Open door day had the opportunity to attend interesting lectures held by individual faculties. Furthermore, presentation of the most interesting exhibits of the recently held Science Festival in Novi Sad was performed.

All those interested to become more familiar with the study programs of the University of Novi Sad as well as to find out what are the possibilities for employment after studies participated this event.

At the event team members from TEMPUS Project iDEALab presented they work and project idea to all visitors.

Beside iDEALab, the event had featured: University Center for Career Development, UNESCO Chair for Entrepreneurial Studies, Biosense Institute, Faculty of Agriculture, Faculty of Sport and Physical Education, Faculty of Technology, TEMPUS project WBCInno TEMPUS project RHODES, Faculty of Engineering, Technical Faculty "Mihajlo Pupin" - Zrenjanin, Faculty of Science, Faculty of Economics, Faculty of Law, Faculty of Philosophy.
